

ELITE

TECH SHOWCASE & ANNUAL GOLF OUTING

JUNE 18 & 19, 2025 | Grand Geneva Resort, Lake Geneva WI

Each summer for the past four years, nvisia has brought together over 150 ELITE technology leaders from the Greater Milwaukee, Chicagoland, and Madison areas for an exclusive golf outing and networking event in Lake Geneva, WI.

This year, we're switching to a two-day format, with the golf and social event on day two after a content-rich agenda on day one, modeled on our highly successful Tech Showcase conference.

Our aim here is to provide even more opportunities to connect, learn, and grow, mixing business with pleasure in support of new partnerships and collaboration.
